Converting of Namibian and German Driving Licenses

Namibia and Germany mutually accept the conversion of national driving licenses of either country without the holder having to take another driving test.

Important prerequisite for this conversion is that the driving license had been issued at least two years prior to the date of application for conversion and that the license holder is resident for an uninterrupted period of at least 185 days in the territory of the respective country.

For the application of conversion, the following institutions have been designated as the respective Authorities:

For the Republic of Namibia:

The Roads Authority

Private Bag 12030

Ausspannplatz

Windhoek

Namibia
