Last update: July 2021

## General information:

- All applicants who wish to seek gainful employment (it is only possible to apply for it if you have a concrete job offer or contract) in Germany are required to obtain a residence permit in the form of a visa. This residence permit must be issued before entering the country.
- Processing the visa application takes up **to 12 weeks** upon submission of complete documents. The residence permit can be issued only upon positive recommendation by the competent authorities in Germany. The applicant will receive a prompt notification upon completion of the processing. **We ask that no status request is made if the required processing period has not yet passed.**
- After the application has been approved, the German Embassy will only issue an entry permit in a form of a visa with the duration of 90 days. A final residence permit for the whole duration of the stay will be granted in Germany by the Aliens Authority. The Aliens Authority requires all residence permit holders to register upon their first arrival.
- It is recommended that no flight ticket is purchased until a visa has been granted!
- The **visa application fee** is the equivalent of EUR 75.00 in NAD. This non-refundable fee is payable in cash or by credit card when applying.
- Each applicant must submit **two identical application sets** with **all** the following documents. (Copies will not be made by the Embassy.)
- Further documentation may be requested in each individual case.
- Please see our website for additional information: [Website of the German Embassy Windhoek \(www.windhoek.diplo.de\)](http://www.windhoek.diplo.de)

**Please read the following checklist, fill in the application form completely and provide two identical application sets (only complete applications can be processed!)**
