Information for the application of a travel passport for adults (repeat application)

1. Application

An application for a travel passport can only be handed in personally at the German Embassy Windhoek. An appointment has to be booked in good time on the website of the Embassy: [Appointment](#)

2. Residence in Germany

If you still have your place of residence in Germany, please apply for your passport there. The German Embassy Windhoek is not responsible for such cases.

Should there be **exceptional circumstances** (such as a loss of passport during travel) that means that you cannot apply for a new passport in Germany, the German Embassy in Windhoek will be able to render support.

In addition to the passport fees, you will need to pay a **non-responsibility recovery fee** (Unzuständigkeitszuschlag) as well as other necessary fees such as telephone costs. The **processing time will take longer**, since the Embassy will need to receive an authorization from the responsible authority in Germany.

3. Different Options

According to § 6 of the German Passport Law, all information as well as supporting documents that are needed for the identification of the applicant as well as his German citizenship need to be included in the application. This includes information on the name.

All documents have to be provided as **original and as copy**. Certified copies by German or Namibian authorities can replace the original. Documents in other languages than in English or French must be handed in with a **translation into German or English**.

Please bring the following documents personally to your appointment:

• Completed and signed application for a passport
• One biometric passport photo. Please note that photos that deviate from the pattern panel for passport photos cannot be accepted.
• Last German passport or children's passport (if available; if the last passport is lost or was stolen, please provide the police report)
• Birth Certificate
• If you were naturalized in Germany: German naturalization certificate or „Registrierschein“
• If you were naturalized in Namibia: Namibian certificate of naturalization and official permission to retain German citizenship (Beibehaltungsgenehmigung)
