

VOLUNTARY SOCIAL YEAR

Last update: December 2022

General information:

- All applicants who wish to go for a voluntary social year in Germany are required to obtain a residence permit in the form of a visa. For the voluntary social year, a work permit is required and will be included in the visa issued for this purpose.
- For the stay a minimum of 6 month is required. According to the visa regulations, it is not allowed to stay for voluntary social service in Germany for more than 12 month.
- The applicant needs to prove basic German language skills when applying visa, if not exempted by the place of service. (Please read the additional information on the second page!)
- Processing the visa application takes up **to 12 weeks** upon submission of complete documents. The residence permit can be issued only upon positive recommendation by the competent authorities in Germany. The applicant will receive a prompt notification upon completion of the processing. **We ask that no status request is made if the required processing period has not yet passed.**
