General Information:

- According to the Schengen Visa Code, the German Embassy in Namibia is responsible for processing your application if your main destination is Germany, Netherlands, Belgium, Luxembourg, Malta, Switzerland and Hungary.
- Duly completed application forms may be submitted six months prior to your intended travel date. You are strongly encouraged to apply well in advance of their actual travel dates. This will help ensuring a smooth organization of your trip.
- It may take an average of 15 working days to process your Schengen visa application at the German Embassy. Any courier transit times should be added to the 15 days.
- The relevant information pertaining to the application process can be found on the website of the Embassy: www.windhoek.diplo.de
- The German Embassy reserves the right to ask for additional documentation at any time during the processing of the application whenever deemed necessary.
- Documentation sent via e-mail, which has not been explicitly requested, will not be allocated to an application.
- The fee for the visa application will have to be paid at the time of your appointment with TLS.

Submission of incomplete or false documentation/incorrect information

Submission of incomplete documentation or of false documentation/incorrect information will most likely result in a refusal or - in case of the latter - even a travel ban to Germany or other Schengen States.
